

CIVIL AVIATION AUTHORITY
OF NEW ZEALAND

SUPPLEMENTAL TYPE CERTIFICATE

No. 13/21E/24

This certificate is issued to;

***Oceania Aviation Ltd.
1 Harvard Lane
Ardmore Airfield
Papakura 2582***

and certifies that the change in the type design identified below with the limitations and conditions specified meets the New Zealand supplemental type certification requirements stated in Civil Aviation Rule Part 21 Subpart E.

Product model : Eurocopter AS 355 E,F,F1,F2,N,NP

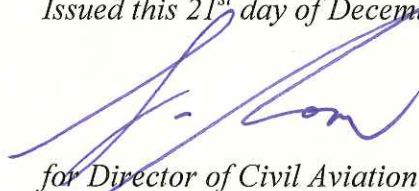

Applicable type certificate: EASA Type Certificate R.146

Certification Basis: FAR 27 effective 1 Feb 1965 and amendments 27-1 thru 27-47. An Equivalent Level of Safety finding was made against §27.855(a) (see CAA Memo dated 5 October 2010).

Description of type design change: Installation of a Cargo Pod in accordance with Oceania Master Document List STC.OAL.006.355.MDL.0001 at Issue 1 dated 20 December 2012, or later CAA approved revision.

Limitations: Aircraft equipped with this STC must be operated in accordance with CAA approved Flight Manual Supplement STC.OAL.006.355.FMS.0001 at Issue 1 dated 20 December 2012, and maintained in accordance with Instructions for Continued Airworthiness STC.OAL.006.355.MDL.0001 at Issue 1 dated 20 December 2012, or later CAA approved revisions.

Issued this 21st day of December 2012

for Director of Civil Aviation

Conditions: This certificate is only applicable to the type/model specified herein. Prior to incorporating this design change, it shall be established that the interrelationship between this change and any other design change(s) incorporated will not adversely affect the airworthiness of the modified type/model.
